*July 19, 2007*

Third prize has been awarded to a team led by **Sara Anderson** of LiRo Architects + Planners in the second annual USGBC-NY Emerging Green Builders "Natural Talent" Design Competition.

Ms. Anderson led an interdisciplinary team which included LiRo Architect Intern Julie Roberts, MEP Engineer Charles Marino of AFK Consulting Engineers, and Eric Bogin of Viridian Energy and Environmental Consulting.

The award was conferred this week at a reception held in the Alexander Hamilton United States Customs House at 2 Bowling Green, New York, NY.

*Congratulations!*
